

Boy's & Girl's **TENNIS CAMP**

June 13-16 | Ages 10-19

LOPER TENNIS CAMP PHILOSOPHY

We hope to provide a positive, learning environment in which the camper can learn fundamentals, individual skills, and competitive skills. Additionally, we want to expose the campers to instructors and players who have been successful on the National Division II collegiate level. The camper's growth as a player and person is important to us while spending the week at the Loper Tennis Camp. The camp will provide excellent instruction and promote teamwork to achieve individual goals. Small groups and personalized instruction will be the cornerstone to our success. Our players will reach their highest potential whether at the junior or collegiate level.

- Practice team coaching with each athlete
- Emphasize technical development
- Focus on fun while competing
- Demonstrate the importance of sportsmanship
- Develop team unity within the camp
- Provide guidance in goals and developmental plans
